

Simplify Prior Authorization Advisory Board

Each of the organizations represented on the advisory board have expertise in the prior authorization (PA) process and a desire to contribute to the improvement in the process for the benefit of patients and other PA stakeholders. All the organizations listed below have contributed human resources to the Simplify Prior Authorization initiative.

AMGEN

AstraZeneca

Canadian Skin Patients Alliance

Connex Health Consulting (Chair)

Gilead Sciences Canada, Inc.

Innovative Medicines Canada

Eli Lilly Canada Inc.

Sentrex Health Solutions

Thank you to the many other subject matter experts from patient groups, payers, patient assistance, drug access navigation and physicians, who have a role in the reimbursement process. They have all contributed their time and expertise during the development of this site and throughout our advocacy work since 2020 for a more patient centric approach to prior authorization.
